

Consignment Agreement

At Go Motors, our goal is to develop strong and honest relationships with all of our customers. Our approach to our consignment program is no different, in allowing us to sell your car for you, we hope to make money for you and for us. When you bring your vehicle in to us to consign, we will collect a \$349 consignment fee. This fee goes to a full detailing of your vehicle to prepare it for sale, keeping the vehicle clean and supplied with fuel throughout its time on our lot, and listing it on our website as well as over a dozen other used automotive websites. We will perform an inspection of your vehicle, and advise you as to any necessary repairs we feel would help ease the sale of your vehicle, which you may or may not perform at your convenience.

To help us successfully sell your vehicle we will need the following page of information on your vehicle completed as well as any and all records you have, permission from you to seek any records we need from those who serviced your vehicle in the past, and all keys/accessories to your vehicle that will be included in the sale. We will also need complete current contact information for you.

We will work with you to determine a reasonable price to begin marketing your vehicle at in relation to your vehicle's condition and the current national market. We will check in with you throughout the time that your vehicle is on our lot to let you know about any leads we have. As we get a better feel for the local market for your car, we may recommend lowering the asking price in order to increase the sale possibilities; however we won't do this without your approval. If we are working with a potential buyer and we feel that they have made an offer that may be acceptable to you, but is lower than our current agreed upon price, we will do our best to contact you immediately to approve the price with you, if you are not available, we will wait until we have discussed the situation with you before moving on with the deal.

After the sale of your vehicle, we will contact you within the week. We will arrange a time to meet, where we will sit down and finalize our relationship. Based on the selling price of the vehicle, we will deduct \$900 or 8% (whichever is greater), and give you a check within 10 days from the date of sale when you present us with a clear valid title transferred to Go Motors. We will also collect payment from you for any repairs or reconditioning you approved which has not been paid for yet.

Our signatures and the date at the bottom of this contract signify our agreement to the above promises and our commitment to work together in this matter, and mark the first day of the 60 days of our exclusive marketing of your vehicle. The amount requested represents our agreed upon amount to begin marketing your vehicle at.

I am the registered owner of the vehicle, or a duly authorized agent of the registered owner. I agree to the foregoing and to furnish the consigned vehicle's title to the consignee upon verbal or written notification of its sale.
